3) It is not desirable to reduce the income of the U.P.s which are engaged in numerous development activities and whose income is meagre and limited. The existing arrangement regarding the apportionment of Shandy realisations is working satisfactorily and there is no reason to whittle down the resources of the U.P. Hence the proposal of the President D.B. Tumkur may be negatived.

Sir,

Subject:- Apportionment of fees from shandies between the District Board and the village panchayets in the Tumkur District.

With reference to your letter No. 2602 dated 13-8-47 requesting to intimate the amounts paid by the Board to each of the village panchayets mentioned in the statement already sent to you for two years prior to 1944-45, I have the honour to state that no amount has been apportioned and paid to the village panchayets out of the realisations for the year 1941-42 and thereafter. But during the year 1941-42, on 30-6-42 amounts were paid to the several village panchayets upto the end of 1940-41 on the basis of the actual realisations and according to the proportions as sanctioned by Government as per the statement enclosed.

In this connection, I am to state that it is seen that the Board had proposed to apportion at different proportions i.e., ¼, ½, and 2/3 to the several village panchayets having in view the amounts agreed to be paid by them towards Medical and Midwifery costs born by the Board for such facilities in their villages. It was only with regard to those village panchayets that realisations of shandies run at those villages was apportioned and paid to them. Such villages come to 17 and the amounts paid for the year 1940-41 are noted against each.

I am to state further that in the next 5 places shandies were sanctioned to be held very recently and no proposal to apportion any realisations and to pay to the village Panchayet's of the places was made and sanctioned by Government.

In the next three places of the statement, shandies are not held at all for reasons unknown and the rights of collecting fees are not sold now.
